

# Volunteer Center at United Way of Northwest Louisiana

The Volunteer Center is a nexus for volunteers and agencies that facilitates collaborative community service opportunities.

## The Volunteer Center provides:

- Volunteer Referral
- Volunteer Management Training
- Corporate Volunteerism
- Disaster Volunteer Placement

For more information, please  
contact us:

318-677-2504 ext. 32/23

The Volunteer Center puts volunteers in touch with agencies that need them most. In order to provide the best experience for both agency and volunteer, volunteers' skills and preferences are matched against the many opportunities available to provide the "best volunteer match".

The Volunteer Center also provides trainings and seminars to non-profit organizations that use volunteers.
